TED Stockings – Post Discharge Advice

You have been prescribed and discharged with Preventex Anti-Embolism Stocking(s), please see information leaflet from Preventex supplied with your spare stocking(s) for information regarding washing of garments, measuring guide and further patient advice.

Anti-Embolism stockings can feel very tight to wear, however if you have any concerns around the fit of your stocking(s), please follow the measuring guide to ensure that the size you are wearing remains the correct size.

Should any further assistance be required please contact Ridgeway ward on 01305 255561.
