

My visit to the Children's Centre

Entrance to the Children's Centre, Dorset County Hospital

We are going to the Children's Centre to meet a Doctor.

My will come with me to the clinic.

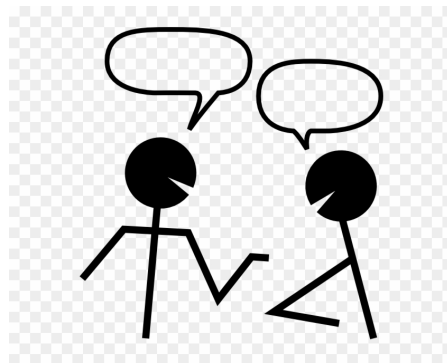

When we arrive we will say hello to the receptionist and wait in the waiting room.

The nurse will check how tall I am and how much I weigh.

Then we will see the Doctor. They will chat to Mummy/Daddy/Carers and me about how I am doing. They are there to help me.

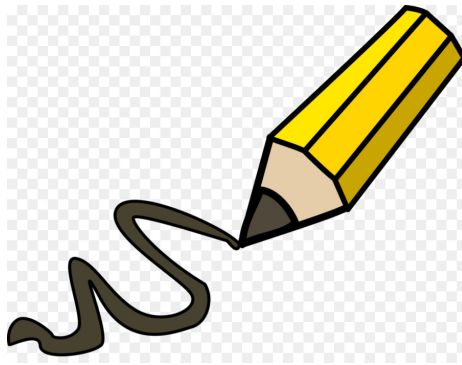

They might check my blood pressure.

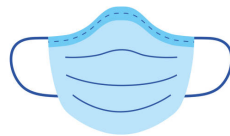

Or check how strong my muscles are

They may also ask me to do some drawing.

They will be wearing a mask because they work in the hospital.

After we meet the Doctors, we will
